IN CASE OF A SERIOUS EMERGENCY

please contact the 24 hour emergency assistance service provided by Emergency Assistance Facilities

+44 (0) 203 829 6745

Your policy covers treatment at a public/state facility only, unless approved by us. Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU, and then contact Emergency Assistance Facilities for advice. We strongly suggest you put their telephone number, **+44 (0) 203 829 6745**, into your mobile phone before you travel so that it is to hand if you need it. Get details of the hospital you are being taken to so that our Emergency Assistance Facilities doctor will be able to obtain a medical report at the earliest possible opportunity. You may need to pay the policy excess locally and ask the hospital to send the rest of their bills to Travel Claims Facilities at: PO Box 395, Monks Green Farm, Mangrove Lane, Hertford, SG13 9JW. Our appointed assistance service, Emergency Assistance Facilities, will explain this to them and provide them with a faxed/email confirmation if necessary.

You will need to have some basic information for them to hand:

- your telephone number in case you are cut off
- patient's name, age, and as much information about the medical situation as possible
- name of the hospital, ward, treating doctor and telephone numbers if you have them
- tell them that you have Cover Cloud Bronze Travel Insurance, policy number and the date it was bought
- patient's UK GP contact details in case they need further medical information

Things to be aware of/remember

- Your policy does not cover any costs for private medical treatment unless authorised by us.
- **NEVER** give your passport to a clinic or hospital.
- It is not always possible to return home immediately after discharge following injury or illness. You will be able to return home when the assistance service considers it safe, in conjunction with your doctor, and airline regulations have been met. Sometimes you will need to stay in resort for a while longer before returning home so the assistance team will arrange additional accommodation for you.
- You may be required to obtain your medical records in the event of a claim.

OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS

If you need to see a doctor, ask your hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge you to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give you unnecessary treatment and at inflated prices - if you are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe you should show them your EHIC card as medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of you requiring medical treatment). You will only be covered for the cost of private treatment if this is approved in advance by Emergency Assistance Facilities. If your outpatient bill is less than £500 then you will need to pay this to the medical facility, and ensure you keep all receipts so you can claim upon your return. In the event that you need to seek outpatient treatment when you are travelling in any of the countries listed below then it may be that immediate payment can be arranged locally using the services of Charge Care International whom we have appointed to act on our behalf. To take advantage of this service please show the treating doctor or clinic the logo shown to the right as this will enable them to identify our membership and avoid language difficulties. If the hospital you are treated at subscribes to this service they will ask to see your proof of insurance so it is important to carry this with you. You will be asked to complete a simple Charge Care form to confirm the nature of the treatment received. The doctor or clinic will collect the policy excess from you and send their bill to Charge Care for payment. The countries where this service is available are: Greece and the Greek Islands, Cyprus, Bulgaria, Egypt and Turkey. <http://www.chargecare.net/>

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact Emergency Assistance Facilities on **+44 (0) 203 829 6745** for advice first. If you need to come home for any other reason, such as the illness of a close relative in the United Kingdom, Channel Islands or BFPO then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured. If you are not sure whether your circumstances are included in the cover then call Travel Claims Facilities on +44 (0) 203 829 6761.

To enable us to consider your medical condition please contact Cover Cloud Travel Insurance on:

Should we require any additional premium, and you accept our offer, this should be paid to Cover Cloud Travel Insurance, and paid within 14 days of our offer. Should you decide not to pay the additional premium the existing medical condition will not be covered. Full confirmation of our terms and conditions will be sent out to your address after your call. Any additional medical conditions not declared to us will not be covered.

If your answer changes to 'yes' at any point after the purchase of this policy you must call to inform us of this change in health to ensure you are fully covered for your trip.

BE AWARE!

We are unable to provide cover for any claim arising as a result of an existing medical condition of a non-travelling close relative, the person you are intending to stay with, or a business associate or friend, or any known or recognised complication of or caused by the existing medical condition.

CHANGE IN HEALTH

If your health or your ongoing medication changes between the date the policies were bought and the date of travel you must advise us on 0345 812 0033 as soon as possible. We will advise you what cover we are able to provide, after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary

BE AWARE! We do not provide any cover for:

- claims caused by an existing medical condition of a non-travelling close relative, the person you are intending to stay with, or a close business associate, or any recognised complication caused by the existing medical condition as defined on page 9.
- any circumstances that are not specified in your policies.

WHEN YOUR TWO POLICIES START AND END

The cover for Policy A, as described under section A of the pre-travel policy, starts from the commencement date of cover shown on your insurance validation documentation, after the policy was issued and ends when you leave home to start your trip.

On annual multi-trip policies cover starts on the chosen starting date and cancellation cover is not in force until that date.

Subsequent trips start from the date of booking.

The cover under policy B starts when you commence your trip and ends when you complete your trip. Alternatively cover will cease upon expiration of your policy, whichever is the first. No further trips are covered except where you hold an annual multi-trip policy which will cover further trips with durations of 31 days and less, unless the appropriate additional premium has been paid. There is absolutely no cover for any portion of a trip which is longer than 31 days in duration unless the appropriate additional premium has been paid.

EXTENSION OF PERIOD

If in the event of either your:

- death, injury or illness during your trip,
 - delay or failure of public transport services during your trip,
 - delay or failure of your return flight to the UK, Channel Islands or BFPO from your international departure point;
- you are unable to complete the trip before your travel policy expires, cover will be automatically extended without additional premium for the additional days necessary to complete the trip.

YOUR POLICY WORDINGS	Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. <u>Please take the time to read and understand it</u> straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered). If your circumstances do not fit those specified then there is no cover in place.
CANCELLING YOUR POLICIES	<p>Should this policy not meet with your requirements please return the documentation to the insurance intermediary who provided the insurance within 14 days from of date of purchase or renewal of the contract or the day you received your policy documentation, whichever is later, and provided that you have not travelled and no claim has been made or is intended to be made and no incident has occurred that is likely to result in a claim you will receive a premium refund.</p> <p>Following the expiry of your 14 days statutory cooling off period you continue to have the right to cancel your policy at any time but no refund of premium will be made. To obtain a refund please contact the insurance intermediary who arranged the insurance for you on 0345 812 0033.</p> <p>We can cancel this insurance by giving you thirty (30) days' notice in writing.</p> <p>We will only do this for a valid reason (examples of valid reasons are as follows):</p> <ul style="list-style-type: none"> - non-payment of premium - a change in risk occurring which means that we can no longer provide you with insurance cover - non-cooperation or failure to supply any information or documentation we request <p>If this insurance is cancelled then, provided a claim or the possibility of a claim has not been notified to us, you will be entitled to a refund of any premium paid, subject to a deduction for any time for which you have been covered. This will be calculated on a proportional basis.</p> <p>In the unlikely event that we cancel your policy we will do so by notifying your insurance intermediary and sending you a letter of cancellation to your last known address.</p> <p>The Consumer Insurance (Disclosure and Representations) Act 2012 and the Insurance Act (2015) set out situations where failure by you to provide us with complete and accurate information as we require allow us to cancel the policy, sometimes back to its start date and to keep any premiums paid.</p>
BE CAUTIOUS	This policy is designed to cover many eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage <i>as if you had no insurance cover</i> .
PREGNANCY	Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 inclusive whilst you are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date. Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking your trip you are aware that you are pregnant, that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that, after booking you discover travel is advised against, or you are unable to receive the appropriate and required vaccinations for that country.
MEDICAL COVER	Your travel policy is not Private Health Insurance, in that it only covers unavoidable, unexpected emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. It is also recommended that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. You will then need to declare your existing medical condition and have it accepted by Cover Cloud Travel Insurance for it to be eligible for cover under your policy. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be granted if travel is against the advice of your doctor.
EHIC	The European Health Insurance Card (EHIC) allows you (provided you are a UK or BFPO resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.org.uk for the card is free and it is valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil (with the exception of increased excess relating to declared medical conditions). If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and these can be found on http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx . Please note residents of the Isle of Man or Channel Islands are not eligible for an EHIC.
MEDICARE	If you are travelling to Australia you must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.
YOUR EXCESS	Your policy carries an excess and this is the amount you have to contribute towards each claim, unless you have paid an additional premium to waive the excess. All excesses shown for this policy are payable by <u>each</u> insured-person, per section and for each incident giving rise to a separate claim. Your excess may be increased to include existing medical conditions confirmed in writing by us (PLEASE NOTE the optional excess waiver will not apply to excesses allocated to existing medical conditions). The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.

Countries covered – Worldwide

DAS Standard Terms of Appointment – Terms & conditions (including the amount DAS will pay to an Appointed Representative) that apply to the relevant type of claim, which could include a conditional fee agreement (no win, no fee). Where a law firm is acting as an appointed representative the amount is currently £100 per hour. This amount may vary from time to time.

DAS – DAS Legal Expenses Insurance Company Limited

Date of Occurrence – The date of the event that leads to a claim. If there is more than one event arising at different times from the same originating cause, the date of occurrence is the date of the first of these events (This is the date the event happened, which may be before the date the insured person first became aware of it).

Insured Incident – A specific or sudden accident that causes death or bodily injury to the insured person.

Insured Person – The person stated on the policy certificate as being insured.

Period of insurance – The period for which DAS has agreed to cover you.

Preferred Law Firm – A law firm or barristers' chambers DAS choose to provide legal services. These legal specialists are chosen as they have the proven expertise to deal with the Insured Person's claim and must comply with DAS' agreed service standard levels, which DAS audit regularly. They are appointed according to the DAS Standard Terms of Appointment.

Reasonable Prospects - For civil cases, the prospects that the insured person will recover losses or damages (or obtain any other legal remedy that DAS have agreed to, including an enforcement of judgment), make a successful defence or make a successful appeal or defence of an appeal, must be at least 51%. DAS, or a preferred law firm on DAS' behalf, will assess whether there are reasonable prospects.

Conditions

- 1 a) On receiving a claim, if legal representation is necessary, DAS will appoint a preferred law firm as the insured persons appointed representative to deal with the insured persons claim. They will try to settle an insured person's claim by negotiation without having to go to court.
- 1 b) If the appointed preferred law firm cannot negotiate settlement of the insured person's claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the insured person may choose a law firm to act as the appointed representative.
- 1 c) If the insured person chooses a law firm as their appointed representative who is not a preferred law firm, DAS will give the insured person's choice of law firm the opportunity to act on the same terms as a preferred law firm. However, if they refuse to act on this basis, the most DAS will pay is the amount DAS would have paid if they had agreed to the DAS standard terms of appointment. The amount DAS will pay a law firm (where acting as the appointed representative) is currently £100 per hour. This amount may vary from time to time.
- 1 d) The appointed representative must co-operate with DAS at all times and must keep DAS up to date with the progress of the claim.
- 2 a) An insured person must co-operate fully with DAS and the appointed representative.
- 2 b) An insured person must give the appointed representative any instructions that DAS ask an insured person to.
- 3 a) An insured person must tell DAS if anyone offers to settle a claim. An insured person must not negotiate or agree to a settlement without DAS' written consent.
- 3 b) If an insured person does not accept a reasonable offer to settle a claim, DAS may refuse to pay further legal costs and expenses.
- 3 c) DAS may decide to pay an insured person the value of the insured person's claim, instead of starting or continuing legal action. In these circumstances an insured person must allow DAS to take over and pursue or settle any claim on behalf of an insured person. An insured person must also allow DAS to pursue at DAS own expense and for DAS own benefit, any claim for compensation against any other person and an insured person must give DAS all the information and help DAS need to do so.
- 4 a) An insured person must instruct the appointed representative to have legal costs and expenses taxed, assessed or audited if DAS ask for this.
- 4 b) An insured person must take every step to recover cost and expenses and court attendance and jury service expenses that DAS have to pay and must pay DAS any amounts that are recovered.
- 5 If the appointed representative refuses to continue acting for an insured person with good reason, or if an insured person dismisses the appointed representative without good reason, the cover DAS provide will end immediately, unless DAS agree to appoint another appointed representative.
- 6 If an insured person settles or withdraws a claim without DAS' agreement, or does not give suitable instructions to the appointed representative, DAS can withdraw cover and will be entitled to reclaim from an insured person any costs and expenses DAS has paid.
- 7 If there is a disagreement between the insured person and DAS about the handling of a claim and it is not resolved through DAS' internal complaints procedure the insured person can contact the Financial Ombudsman Service for help. This is a free arbitration service for eligible consumers, small businesses, charities and trusts. (Details available from www.financial-ombudsman.org.uk) If the insured person's dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a barrister, solicitor or other suitably qualified person chosen jointly by the insured person and DAS. If there is a disagreement over the choice of arbitrator, DAS will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the insured person and DAS or may be paid by either the insured person or DAS.

8 DAS may require an insured person to get, at the insured person's expense, an opinion from an expert that DAS considers appropriate on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by DAS and the cost agreed in writing between the insured person and DAS. Subject to this, DAS will pay the cost of getting the opinion if the experts opinion indicates that it is more likely than not that the insured person will recover damages (or obtain any other legal remedy that DAS have agreed to) or make a successful defence.

9 An insured person must:

- keep to the terms and conditions of this section
- take reasonable steps to avoid and prevent claims
- take reasonable steps to avoid incurring unnecessary costs
- send everything DAS asks for, in writing, and
- report to DAS full and factual details of any claim as soon as possible and give DAS any information DAS need.

10 DAS will, at DAS discretion, void this section (make it invalid) from a date of claim, or alleged claim, and/or DAS will not pay the claim if:

- a claim an insured person has made to obtain benefit under this section is fraudulent or intentionally exaggerated, or
- a false declaration or statement is made in support of a claim.

11 Apart from DAS, an insured person is the only person who may enforce all or any part of this section and the rights and interests arising from, or connected with, it. This means that the Contracts (rights of third parties) Act 1999 does not apply to this section in relation to any third-party rights or interest.

12 If any claim covered under this section is also covered by another policy, or would have been covered if this section did not exist, DAS will only pay DAS share of the claim even if the other insurer refuses the claim.

13 This section is governed by the law that applies in the part of the United Kingdom, Channel Islands or the Isle of Man where the insured person normally lives. Otherwise, the law of England and Wales applies.

All acts of Parliament mentioned in this section include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.

ADDITIONAL SPORTS AND HAZARDOUS ACTIVITIES:

Unlike other policies we cover many sports and activities as standard; **no additional premium is required for activities listed in Activity Pack 1.** We have categorised the activities that are not covered as standard into seven further bands. If you do not see your chosen activity, do not worry, we may cover it, but you must contact us so we can discuss the activity and what, if any, additional premium is necessary. (All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated). Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi-professional / paid / sponsored racing, timed events – unless otherwise specified, professional, display events, photo shoots, etc...) will not be covered under this policy. Safety guidelines provided from a professional event company or organiser must be followed. Failure to do so will invalidate a claim. If you are unsure please do not hesitate to contact us on 0345 812 0033 and we can discuss your individual requirements. We consider 'professional or competitive' to be activities/sports where you are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of £200. *Please note those activities marked in italics and underlined do not have Personal Liability cover or Accidental Death and Disability cover.*
