You do not maintain your home and you do not arrange for servicing, inspection or repair of items and fixtures when required. Claims due to lack of maintenance or wear and tear, will not be covered.

Basis of cover

Emergency events

This policy will only provide **assistance** with **emergency** events in **your home**. The policy will not cover maintenance or wear and tear issues. The claims handler will advise **you** if the event is an **emergency** and covered by the policy.

Gas Leaks

A gas leak is the responsibility of the distributor for that area. If **you** smell gas or think that there is a gas leak in **your home**, **you** should contact the National Gas Emergency Service on 0800 111999. An approved contractor will not be able to attend **your home** until gas leaks have been made safe.

Pay on Use

This policy will only cover **emergencies**. For issues which are not covered by this policy, **we** may be able to contact an approved contractor to help **you** on a 'pay on use' basis. This means that **you** would be responsible for paying for the full cost of all fees.

Boilers / Gas powered heating or hot water systems

It is not a policy requirement to have had these serviced prior to the start of the **period of cover**. However **you** are responsible for ensuring that **your** boiler or gas powered heating or hot water system is maintained to a safe standard. Claims due to wear and tear or lack of maintenance will not be covered. **Our** approved contractors will not be able to complete any work or repairs, to boilers or systems which are deemed to be unsafe due to poor installation or lack of maintenance.

No age limit applies to the boilers **we** will cover, but there may be some circumstances where because of the age of **your** boiler, or the availability of parts or the cost of repairs, **our** approved contractor may not be able to

offer **you assistance**. In these cases **your** boiler will be treated as **beyond economical repair** and a one-off cash payment will be made to **you** of £250. Once **we** have issued this payment to **you**, no further cover will operate in respect of **your primary heating system**, until such time as **you** have replaced **your** boiler.

General Policy Conditions

You must comply with these in order to be covered by your policy

1. **We** will only pay for **assistance** for **emergencies** occurring at **your home**, subject to the cover **you** selected shown on **your schedule**.
2. **Assistance** visits:
 - a) The maximum number of **assistance** visits that **we** will pay for in any one **period of cover** is known as the 'call out limit'; the call out limit on this policy is five. Once the call out limit has been reached, **you** may not make any further claims during that **period of cover**. However if an **emergency** occurs the claims handler may be able to arrange a 'pay on use' service for **you** - 'Basis of cover' explains what this means. If **you** renew **your** policy **you** will be able to claim again, up to the call out limit for that **period of cover**.
 - b) If the approved contractor is unable to gain access to **your home**, the visit will be counted against the call out limit. If the contractor needs to return at a later date to complete repairs, **you** must ensure that they can gain access. If the contractor cannot access **your home**, **we** will not be able to provide further help beyond the **assistance** already given and **your** claim will be closed.
3. Reporting of claims:
 - a) Any risk of injury to people or of serious and major damage to **your home**, should be immediately reported to the supply company if appropriate (e.g. a gas leak), or the public emergency services. Please do this before **you** contact **us**, as **your** safety should always take priority.
 - b) **You** must not make any arrangements for repairs without authorisation from the claims handler. This is because **our** approved contractors may need to examine the **emergency** themselves, in order to confirm that it is covered by **your** policy.
4. Visiting **your home** to provide **assistance** is dependent on:
 - Weather conditions. If there is bad weather then the approved contractor may not be able to safely access **your home**. In some cases it may not be possible to provide immediate **assistance** e.g. Roof inspections if there are high winds.
 - Being able to reach **your home**. Transport delays (e.g. due to weather or industrial action), may mean the approved contractor cannot reach **your home**.

The decision whether it is safe or possible to provide **assistance** is at the sole discretion of the claims handler. If it is not possible to provide **assistance**, then **you** will be advised of this and help will be rearranged for a time when it is possible to safely attend **your home**.
5. The approved contractor may use parts which are sourced from third parties, in addition to those sourced from the manufacturer or its approved suppliers. All of **our** approved contractor repairs are guaranteed for 12 months. In order to provide this guarantee **our** claims handler will work with a pre-approved supply network. **We** are therefore unable to accept responsibility for loss, damage or inconvenience resulting from delays in the delivery of parts. If **you** wish the approved contractor to use parts which are of a superior specification to the faulty part being replaced, then **you** will be responsible for paying the difference in cost.
6. **You** must ensure that all questions are answered correctly and truthfully and that all documents **you** submit to **us** are accurate. In the event that **you** provide **us** with information which is false or fraudulent, then **we** reserve the right not to pay **your** claim and to cancel **your** policy with no refund of premium. **We** may also share this information with the police and other insurance companies for fraud prevention.
7. Subrogation - this means that **we** reserve the right to take over **your** claim after **we** have paid it, in order to recover payment from a third party. This may include taking legal action against third parties **in your** name. **You** must co-operate with **us** if **we** choose to do this; any action **we** take will be at **our** expense.

8. Unless some other law is agreed in writing, this policy is governed by English law. If there is a dispute, it will only be dealt with in the courts of England or of the country within the United Kingdom in which **your** main residence is situated.
9. This policy will end:
- At the end of the **period of cover**; or
 - The date the policy is cancelled.
10. There are certain changes which **you** must tell **your** broker about, as soon as they happen. These are:
- If **you** change **your home** address.
- If **you** do not tell **your** broker about these changes, then this may mean that **we** cannot pay **your** claim.
