IN CASE OF A SERIOUS EMERGENCY

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration. A failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

YOU SHOULD THEN CALL US ON +44 (0) 203 829 6745

Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans. We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice.

We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs and your recovery.

It is important that you a	e aware of the following:
Medical Treatment	Repatriation (bringing you home)
 There is not cover for: routine, non-emergency or elective treatment or treatment that can wait until you return home. Our doctors are not treating you; they are not responsible or in control of the clinical care you are receiving in a medical facility. In some instances, you may need to be moved from one local facility to another larger/more specialised facility, for treatment. Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency service rooms can be busy at certain times and so it is possible you may have to wait as you would in your local NHS hospital unless you require critical care. Once you are discharged from hospital this does not always mean you are fit to fly home – For example, if you were in the UK and suffered the same injury/illness, then you would not consider flying out on holiday so soon after surgery/treatment/incident. 	 Coming home straight away is not always an option even if you are considered 'fit to fly' by the treating doctor. We have a medical team with experience in aviation medicine who will advise on both the timing and method of repatriation which is best suited to your individual needs and your recovery. Most airlines require specific criteria to be met in order to accept a 'medical passenger'. Things change – if your health, stability or vitals change – then so do the plans. Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year. Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the UK, if treatment is not possible where they are.

OUT-PATIENT TREATMENT OF MINOR INJURY OR ILLNESS

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

FOR A NON-URGENT MEDICAL SITUATION

That is something you would normally see your GP or minor injuries unit for, so you don't need to attend hospital but you do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsilitis? Infected cut on your foot? We have teamed up with **Medical Solutions UK Ltd**, who offer UK Registered Doctors who give medical support and assessment over the phone and are able to prescribe globally. This means you can quickly access support with minor aliments without disrupting your trip too much. You can access this facility free of charge by calling

+44 161 468 3793

YOU CAN ALSO CALL 112 OR THE LOCAL EQUIVILANT OF 999

Customer should receive emergency medical treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

OPTIMAL CARE

In our experience the access to the best doctors, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations worldwide) are limited to state facilities. They don't always look as nice, but we have experience of good clinical outcomes within a regulated environment without the risk of a patients' health being compromised over commercial interest, immoral and dangerous practices such as extortion, detainment and withdrawal of treatment you are unlikely to find occurring in state facilities. If you would like to know more about our approach to best medical care overseas and repatriation planning, please visit our website https://philosophies.tifgroup.co.uk/

IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING

In European Union Countries – if you present yourself at a public facility you should show your EHIC.

In Australia - you should enrol for Medicare, and have it accepted.

Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and your standard policy excess will be waived from any claim you may make. If you are unable to use the EHIC, you will have to pay the medical facility and submit a claim when you get home, the policy excess will then be applied.

In Turkey, Cyprus, Egypt and Bulgaria – we utilise the services of ChargeCare International who can arrange for the bill to be paid directly. You simply fill in a ChargeCare form in the medical facility to confirm the nature of the treatment received and pay your policy excess to the facility. They will then send the remaining bill directly to ChargeCare for payment. More information can be found here www.chargecare.net

Everywhere else in the World – if there is not suitable public facility that will treat you free of charge, you can pay the medical facility and retain all receipts so that you can make a claim when you get home.

PLEASE NOTE: If the costs are likely to exceed £500 or you are admitted to hospital, you should call us on +44 (0) 203 829 6745.

If your existing medical condition would require an additional premium to be covered and you choose not to declare it, we reserve the right to decline a claim relating to this condition, unless otherwise agreed by us in writing. Should you decide not to pay the additional premium the existing medical condition will not be covered. Full confirmation of our terms and conditions will be sent out to your address after your call. Any additional medical conditions not declared to

On Annual Multi-Trip policies, cover starts on the chosen date and cancellation cover is not in force until that date. Subsequent trips will be covered for cancellation during the period of cover.

The cover under Policy B, as described as Section B Travel Policy, begins when you start your trip and ends when you complete your trip, or when the policy expires, whichever is first. No further trips will be covered except where you hold an Annual Multi-Trip policy which will cover further trips with durations of 31 days and less, unless the appropriate additional premium has been paid. Legal Expenses Insurance Section (continued) – provided by (DAS) – Conditions applicable

BE AWARE! DAS will not pay for the following:

- anything mentioned in the conditions and exclusions (page 13).
- a claim where, if the insured person decides not to use the services of a preferred law firm, the insured person will be responsible for any costs that fall outside the DAS standard terms of appointment and these will not be paid by DAS.
- a claim where an insured person has failed to notify DAS of the insured incident within a reasonable time of it happening and where this failure adversely affects the reasonable prospects of a claim or DAS consider their position has been prejudiced.
- an incident or matter arising before the start of this cover.
- costs and expenses incurred before DAS' written acceptance of a claim.
- any costs and expenses that are incurred where the appointed representative handles the claim under a contingency fee arrangement.
- a claim against DTW 1991 Underwriting Limited, its group companies or its agents.
- a claim against any insurance intermediary agent of DTW 1991 Underwriting Limited.
- fines, penalties, compensation or damages that a court or other authority orders an insured person to pay.

- any legal action an insured person that DAS or the appointed representative have not agreed to, or where an insured person does anything that hinders DAS or the appointed representative.
- a dispute with DAS not otherwise dealt with under section condition 7.
- costs and expenses arising from or relating to judicial review, coroner's inquest or fatal accident inquiry.
- a claim caused by, contributed to, or arising from:
 - ionising radiation or contamination by radioactivity from any nuclear fuel or from any nuclear waste from burning nuclear fuel;
 - the radioactive, toxic, explosive or other hazardous properties of any explosive nuclear assembly or nuclear part of it;
 - war, invasion, foreign enemy hostilities (whether war is declared or not), civil war, rebellion, revolution, military force or coup, or any other act of terrorism as defined in the Terrorism Act 2000;
 - pressure waves caused by aircraft or any other airborne devices travelling at sonic or supersonic speeds.
- any claim where the insured person is not represented by a law firm or barrister.

Conditions

1 a) On receiving a claim, if legal representation is necessary, DAS will appoint a preferred law firm as the insured persons appointed representative to deal with the insured persons claim. They will try to settle an insured person's claim by negotiation without having to go to court.

1 b) If the appointed preferred law firm cannot negotiate settlement of the insured person's claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the insured person may choose a law firm to act as the appointed representative.

1 c) If the insured person chooses a law firm as their appointed representative who is not a preferred law firm, DAS will give the insured person's choice of law firm the opportunity to act on the same terms as a preferred law firm. However, if they refuse to act on this basis, the most DAS will pay is the amount DAS would have paid if they had agreed to the DAS standard terms of appointment. The amount DAS will pay a law firm (where acting as the appointed representative) is currently £100 per hour. This amount may vary from time to time.

- 1 d) The appointed representative must co-operate with DAS at all times and must keep DAS up to date with the progress of the claim.
- 2 a) An insured person must co-operate fully with DAS and the appointed representative.
- 2 b) An insured person must give the appointed representative any instructions that DAS ask an insured person to.

3 a) An insured person must tell DAS if anyone offers to settle a claim. An insured person must not negotiate or agree to a settlement without DAS' written consent.

3 b) If an insured person does not accept a reasonable offer to settle a claim, DAS may refuse to pay further legal costs and expenses.

3 c) DAS may decide to pay an insured person the value of the insured person's claim, instead of starting or continuing legal action. In these circumstances an insured person must allow DAS to take over and pursue or settle any claim on behalf of an insured person. An insured person must also allow DAS to pursue at DAS own expense and for DAS own benefit, any claim for compensation against any other person and an insured person must give DAS all the information and help DAS need to do so.

4 a) An insured person must instruct the appointed representative to have legal costs and expenses taxed, assessed or audited if DAS ask for this.

4 b) An insured person must take every step to recover cost and expenses and court attendance and jury service expenses that DAS have to pay and must pay DAS any amounts that are recovered.

5 If the appointed representative refuses to continue acting for an insured person with good reason, or if an insured person dismisses the appointed representative without good reason, the cover DAS provide will end immediately, unless DAS agree to appoint another appointed representative.

6 If an insured person settles or withdraws a claim without DAS' agreement, or does not give suitable instructions to the appointed representative, DAS can withdraw cover and will be entitled to reclaim from an insured person any costs and expenses DAS has paid.

7 If there is a disagreement between the insured person and DAS about the handling of a claim and it is not resolved through DAS' internal complaints procedure the insured person can contact the Financial Ombudsman Service for help. This is a free arbitration service for eligible consumers, small businesses, charities and trusts. (Details available from <u>www.financial-ombudsman.org.uk</u>) If the insured person's dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a barrister, solicitor or other suitably qualified person chosen jointly by the insured person and DAS. If there is a disagreement over the choice of arbitrator, DAS will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the insured person and DAS or may be paid by either the insured person or DAS.

8 DAS may require an insured person to get, at the insured person's expense, an opinion from an expert that DAS considers appropriate on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by DAS and the cost agreed in writing between the insured person and DAS. Subject to this, DAS will pay the cost of getting the opinion if the experts opinion indicates that it is more likely than not that the insured person will recover damages (or obtain any other legal remedy that DAS have agreed to) or make a successful defence.

9 An insured person must:

- keep to the terms and conditions of this section
- take reasonable steps to avoid and prevent claims
- take reasonable steps to avoid incurring unnecessary costs
- send everything DAS asks for, in writing, and
- report to DAS full and factual details of any claim as soon as possible and give DAS any information DAS need.
- 10 DAS will, at DAS discretion, void this section (make it invalid) from a date of claim, or alleged claim, and/or DAS will not pay the claim if:
 - a claim an insured person has made to obtain benefit under this section is fraudulent or intentionally exaggerated, or
 - a false declaration or statement is made in support of a claim.

Apart from DAS, an insured person is the only person who may enforce all or any part of this section and the rights and interests arising from, or connected with, it. This means that the Contracts (rights of third parties) Act 1999 does not apply to this section in relation to any third-party rights or interest.

12 If any claim covered under this section is also covered by another policy, or would have been covered if this section did not exist, DAS will only pay DAS share of the claim even if the other insurer refuses the claim.

13 This section is governed by the law that applies in the part of the United Kingdom, Channel Islands or the Isle of Man where the insured person normally lives. Otherwise, the law of England and Wales applies.

All acts of Parliament mentioned in this section include equivalent laws in Scotland, Northern Ireland, the Isle of Man and the Channel Islands as appropriate.

Legal Expenses Insurance Section (continued) – provided by (DAS) – Eurolaw Legal Advice and Definitions for this section

Eurolaw Legal Advice

DAS will give an insured person confidential legal advice over the phone on any personal legal problem relating to their journey, under the laws of the member countries of the European Union, Isle of Man, the Channel Islands, Switzerland and Norway.

An insured person can contact DAS' UK-based call centres 24 hours a day, seven days a week. However, DAS may need to call the insured person back depending on the enquiry. Advice about the law in England and Wales is available 24 hours a day, seven days a week. Legal advice for the other countries is available 9am – 5pm, Monday to Friday, excluding public and bank holidays.

If an insured person calls outside these times, DAS will return their call.

To help check and improve service standards, DAS may record all inbound and outbound calls.

To contact the above service, phone DAS on +44 (0) 117 934 2111.

When phoning, please quote your Policy ID and reference: TV1/6855409.

DAS will not accept responsibility if the helpline service fails for reasons DAS cannot control.

ADDITIONAL SPORTS AND HAZARDOUS ACTIVITIES:

Unlike other policies we cover many sports and activities as standard; no additional premium is required for activities listed in Activity Pack 1. We have categorised the activities that are not covered as standard into seven further bands. If you do not see your chosen activity, do not worry, we may cover it, but you must contact us so we can discuss the activity and what, if any, additional premium is necessary. (*All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated*). Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi-professional / paid / sponsored racing, timed events – unless otherwise specified, professional, display events, photo shoots, etc...) will not be covered under this policy. Safety guidelines provided from a professional event company or organiser must be followed. Failure to do so will invalidate a claim. If you are unsure please do not hesitate to contact us on 0345 812 0033 and we can discuss your individual requirements. We consider 'professional or competitive' to be activities/sports where you are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of £200. *Please note those activities marked in italics and underlined do not have Personal Liability cover or Accidental Death and Disability cover.*
