TO DECLARE YOUR PRE-EXISTING MEDICAL CONDITIONS PLEASE CALL ON 0345 812 0033

IN CASE OF A SERIOUS EMERGENCY

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration. A failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

YOU SHOULD THEN CALL US ON +44 (0) 203 829 6745

Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans. We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice.

We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs and your recovery.

It is important that you are aware of the following:

Medical Treatment	Repatriation (bringing you home)
<ul style="list-style-type: none"> • There is no cover under this policy for: <ul style="list-style-type: none"> ○ routine, non-emergency or elective treatment ○ or treatment that can wait until you return home. • Our doctors are not treating you; they are not responsible or in control of the clinical care you are receiving in a medical facility. • In some instances, you may need to be moved from one local facility to another larger/more specialised facility, for treatment. • Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency service rooms can be busy at certain times and so it is possible you may have to wait as you would in your local NHS hospital unless you require critical care. • Once you are discharged from hospital this does not always mean you are fit to fly home – For example, if you were in the UK and suffered the same injury/illness, then you would not consider flying out on holiday so soon after surgery/treatment/incident. • Some medical facilities will raise charges that are far in excess of customary and reasonable; we will deal with such bills directly and there is no need for you to pay them. You simply need to pass any correspondence about such bills to us to ensure we can provide full financial protection. 	<ul style="list-style-type: none"> • Coming home straight away is not always an option even if you are considered 'fit to fly' by the treating doctor. • We have a medical team with experience in aviation medicine who will advise on both the timing and method of repatriation which is best suited to your individual needs and your recovery. • Most airlines require specific criteria to be met in order to accept a 'medical passenger'. • Things change – if your health, stability or vitals change – then so do the plans. • Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year. Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the UK, if treatment is not possible where they are.

OUT-PATIENT TREATMENT OF MINOR INJURY OR ILLNESS

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

FOR A NON-URGENT MEDICAL SITUATION

That is something you would normally see your GP or minor injuries unit for, so you don't need to attend hospital but you do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsillitis? Infected cut on your foot? We have teamed up with **Medical Solutions UK Ltd**, who offer UK Registered Doctors who give medical support and assessment over the phone and are able to prescribe globally. This means you can quickly access support with minor ailments without disrupting your trip too much. You can access this facility free of charge by calling

+44 161 468 3793.

YOU CAN ALSO CALL 112 OR THE LOCAL EQUIVILANT OF 999

Customer should receive emergency medical treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

OPTIMAL CARE

In our experience the access to the best doctors, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations worldwide) are limited to state facilities. They don't always look as nice, but we have experience of good clinical outcomes within a regulated environment without the risk of a patients' health being compromised over commercial interest, immoral and dangerous practices such as extortion, detainment and withdrawal of treatment you are unlikely to find occurring in state facilities.

IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING

In European Union Countries – if you present yourself at a public facility you should show your EHIC.

In Australia – you should enrol for Medicare, and have it accepted.

Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and your standard policy excess will be waived from any claim you may make. If you are unable to use the EHIC, you will have to pay the medical facility and submit a claim when you get home, the policy excess will then be applied.

In Turkey, Cyprus, Egypt and Bulgaria – we utilise the services of Global Excel who can arrange for the bill to be paid directly. You simply fill in a Global Excel form in the medical facility to confirm the nature of the treatment received and pay your policy excess to the facility. They will then send the remaining bill directly to Global Excel for payment. More information can be found here www.globalexcel.com

Everywhere else in the World – if there is not suitable public facility that will treat you free of charge, you can pay the medical facility and retain all receipts so that you can make a claim when you get home.

PLEASE NOTE: If the costs are likely to exceed £500 or you are admitted to hospital, you should call us on **+44 (0) 203 829 6745.**

CHANGE IN HEALTH

Page 5

If your health or your ongoing medication changes between the date the policies were bought and the date of travel you must advise us on 0345 812 0047 as soon as possible. We will advise you what cover we are able to provide for your change in health, as defined on page 7, after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

BE AWARE! We do not provide any cover for:

- claims caused by an existing medical condition of a non-travelling close relative, the person you are intending to stay with, or a close business associate, or any recognised complication caused by the existing medical condition as defined on page 7.
- any circumstances that are not specified in your policies.

WHEN YOUR TWO POLICIES START AND END

When purchasing a Single Trip Policy, the cover under Policy A, as described as Section A Pre-Travel Policy, begins from the moment you pay your premium and ends when you leave home to start your trip.

On Annual Multi-Trip policies, cover starts on the chosen date and cancellation cover is not in force until that date. Subsequent trips will be covered for cancellation during the period of cover.

The cover under Policy B, as described as Section B Travel Policy, begins when you start your trip and ends when you complete your trip, or when the policy expires, whichever is first. No further trips will be covered except where you hold an Annual Multi-Trip policy which will cover further trips with durations of 31 days and less, unless the appropriate additional premium has been paid.

There is absolutely no cover for any portion of a trip which is longer than 31 days in duration unless the appropriate additional premium has been paid.

EXTENSION OF PERIOD

If in the event of either your:

- death, injury or illness during your trip,
- delay or failure of public transport services during your trip,
- delay or failure of your final international return flight back to the UK, Channel Islands or BFPO;

you are unable to complete the trip before your travel policy expires, cover will be automatically extended without additional premium for the additional days necessary to complete the trip.

YOUR POLICY WORDINGS	Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. <u>Please take the time to read and understand it</u> straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered). If your circumstances do not fit those specified then there is no cover in place.
CANCELLING YOUR POLICIES	<p>Should this policy not meet with your requirements please return the documentation to the insurance intermediary who provided the insurance within 14 days from the date of purchase or renewal of the contract or the day you received your policy documentation, whichever is later, and provided that you have not travelled and no claim has been made or is intended to be made and no incident has occurred that is likely to result in a claim you will receive a premium refund.</p> <p>Following the expiry of your 14 days statutory cooling off period you continue to have the right to cancel your policy at any time but you may not be entitled to a refund of the premium paid. To cancel your policy please contact the insurance intermediary who arranged the insurance for you on 0345 812 0047.</p> <p>We can cancel this insurance by giving you thirty (30) days' notice in writing. We will only do this for a valid reason (examples of valid reasons are as follows):</p> <ul style="list-style-type: none"> - non-payment of premium - a change in risk occurring which means that we can no longer provide you with insurance cover - non-cooperation or failure to supply any information or documentation we request <p>If we cancel this insurance, provided a claim or the possibility of a claim has not been notified to us, you may be entitled to a refund of any premium paid, subject to a deduction for any time for which you have been covered. This will be calculated on a proportional basis.</p> <p>In the unlikely event that we cancel your policy we or your insurance intermediary will write to you a letter of cancellation and send it to your last known address.</p> <p>The Consumer Insurance (Disclosure and Representations) Act 2012 and the Insurance Act (2015) set out situations where failure by you to provide us with complete and accurate information as we require allow us to cancel the policy, sometimes back to its start date and to keep any premiums paid.</p>
BE CAUTIOUS	This policy is designed to cover many eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage <i>as if you had no insurance cover</i> .
PREGNANCY	Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 inclusive whilst you are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date. Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking your trip you are aware that you are pregnant, that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that, after booking you discover travel is advised against, or you are unable to receive the appropriate and required vaccinations for that country.
MEDICAL COVER	Your travel policy is not Private Health Insurance, in that it only covers unavoidable, unexpected emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. It is also recommended that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. You will then need to declare your existing medical condition and have it accepted by Travel Insurance Saver for it to be eligible for cover under your policy. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be granted if travel is against the advice of your doctor or a medical professional such as your dentist.
EHIC	The European Health Insurance Card (EHIC) allows you (provided you are a UK or BFPO resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.org.uk for the card is free and it is valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil (with the exception of increased excess relating to declared medical conditions). If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and these can be found on http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx . Please note residents of the Isle of Man or Channel Islands are not eligible for an EHIC.
MEDICARE	If you are travelling to Australia you must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.
USA MEDICAL COSTS	Medical providers in the USA routinely charge international patients inflated costs for providing medical treatment. As this policy covers customary and reasonable medical expenses, we will not pay excessive or inflated charges for your treatment so it is important that you do not pay any medical providers up front, either at the time of your treatment or on your return to your home country. They may engage the services of collection agencies but any correspondence should simply be sent on to us, unanswered: there is no lawful action that can be taken which we cannot step in and take over on your behalf.
YOUR EXCESS	Your policy carries an excess and this is the amount you have to contribute towards each claim, unless you have paid an additional premium to waive the excess (please note: the excess waiver does not apply to the gadget extension). All excesses shown for this policy are payable by <u>each</u> insured-person, per section and for each incident giving rise to a separate claim. Your excess may be increased to include existing medical conditions (including anything directly or indirectly related to that condition) confirmed in writing by us. The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.

- 1 b) If the appointed preferred law firm cannot negotiate settlement of the insured person's claim and it is necessary to go to court and legal proceedings are issued or there is a conflict of interest, then the insured person may choose a law firm to act as the appointed representative.
- 1 c) If the insured person chooses a law firm as their appointed representative who is not a preferred law firm, DAS will give the insured person's choice of law firm the opportunity to act on the same terms as a preferred law firm. However, if they refuse to act on this basis, the most DAS will pay is the amount DAS would have paid if they had agreed to the DAS standard terms of appointment. The amount DAS will pay a law firm (where acting as the appointed representative) is currently £100 per hour. This amount may vary from time to time.
- 1 d) The appointed representative must co-operate with DAS at all times and must keep DAS up to date with the progress of the claim.

- 3 b) If an insured person does not accept a reasonable offer to settle a claim, DAS may refuse to pay further legal costs and expenses.
- 3 c) DAS may decide to pay an insured person the value of the insured person's claim, instead of starting or continuing legal action. In these circumstances an insured person must allow DAS to take over and pursue or settle any claim on behalf of an insured person. An insured person must also allow DAS to pursue at DAS own expense and for DAS own benefit, any claim for compensation against any other person and an insured person must give DAS all the information and help DAS need to do so.
- 4 a) An insured person must instruct the appointed representative to have legal costs and expenses taxed, assessed or audited if DAS ask for this.
- 4 b) An insured person must take every step to recover cost and expenses and court attendance and jury service expenses that DAS have to pay and must pay DAS any amounts that are recovered.
- 5 If the appointed representative refuses to continue acting for an insured person with good reason, or if an insured person dismisses the appointed representative without good reason, the cover DAS provide will end immediately, unless DAS agree to appoint another appointed representative.
- 6 If an insured person settles or withdraws a claim without DAS' agreement, or does not give suitable instructions to the appointed representative, DAS can withdraw cover and will be entitled to reclaim from an insured person any costs and expenses DAS has paid.
- 7 If there is a disagreement between the insured person and DAS about the handling of a claim and it is not resolved through DAS' internal complaints procedure the insured person can contact the Financial Ombudsman Service for help. This is a free arbitration service for eligible consumers, small businesses, charities and trusts. (Details available from www.financial-ombudsman.org.uk) If the insured person's dispute is not covered by the Financial Ombudsman Service there is a separate arbitration process available. The arbitrator will be a barrister, solicitor or other suitably qualified person chosen jointly by the insured person and DAS. If there is a disagreement over the choice of arbitrator, DAS will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the insured person and DAS or may be paid by either the insured person or DAS.

8 DAS may require an insured person to get, at the insured person's expense, an opinion from an expert that DAS considers appropriate on the merits of the claim or proceedings, or on a legal principle. The expert must be approved in advance by DAS and the cost agreed in writing between the insured person and DAS. Subject to this, DAS will pay the cost of getting the opinion if the experts opinion indicates that it is more likely than not that the insured person will recover damages (or obtain any other legal remedy that DAS have agreed to) or make a successful defence.

9 An insured person must:

- keep to the terms and conditions of this section
- take reasonable steps to avoid and prevent claims
- take reasonable steps to avoid incurring unnecessary costs
- send everything DAS asks for, in writing, and
- report to DAS full and factual details of any claim as soon as possible and give DAS any information DAS need.

10 DAS will, at DAS discretion, void this section (make it invalid) from a date of claim, or alleged claim, and/or DAS will not pay the claim if:

- a claim an insured person has made to obtain benefit under this section is fraudulent or intentionally exaggerated, or
- a false declaration or statement is made in support of a claim.

11 Apart from DAS, an insured person is the only person who may enforce all or any part of this section and the rights and interests arising from, or connected with it. This means that the Contracts (rights of third parties) Act 1999 does not apply to this section in relation to any third-party rights or interest.

12 If any claim covered under this section is also covered by another policy, or would have been covered if this section did not exist, DAS will only pay DAS share of the claim even if the other insurer refuses the claim.

13 This section is governed by the law that applies in the part of the United Kingdom, Channel Islands or the Isle of Man where the insured person normally lives. Otherwise, the law of England and Wales applies.

ADDITIONAL SPORTS AND HAZARDOUS ACTIVITIES:

Unlike other policies we cover many sports and activities as standard; **no additional premium is required for activities listed in Activity Pack 1.** We have categorised the activities that are not covered as standard into seven further bands. If you do not see your chosen activity, do not worry, we may cover it, but you must contact us so we can discuss the activity and what, if any, additional premium is necessary. (All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated). Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi-professional / paid / sponsored racing, timed events – unless otherwise specified, professional, display events, photo shoots, etc...) will not be covered under this policy. Safety guidelines provided from a professional event company or organiser must be followed. Failure to do so will invalidate a claim. If you are unsure please do not hesitate to contact us on 0345 812 0047 and we can discuss your individual requirements. We consider 'professional or competitive' to be activities/sports where you are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of £200. *Please note those activities marked in italics and underlined do not have Personal Liability cover or Accidental Death and Disability cover.*
