General policy conditions

- To be eligible to purchase this policy your home address must be in the UK and you must be registered with a General Practitioner in the UK.
- Trips must start and end in the United Kingdom, the Channel Islands or British Forces Posted Overseas address (BFPO).
- Please tell us as soon as you are aware that your policy does not meet your needs. If you cancel within 14 days of the receipt of your documentation and have not started a trip, made a claim, or intended to make a claim, we will give you a full refund. If you cancel outside of the 14-day cooling-off period, no refunds will be due other than for annual multi trip policies which have not yet started or renewed.
- Your policy does not cover you for loss of earnings after you have been injured on a trip.
- Your policy does not cover any costs where you are travelling for the purpose of obtaining medical or dental treatment, or in the knowledge that you will need treatment, tests, or investigations.
- For UK trips, your holiday must be pre-booked and at least two nights in duration.
- The maximum trip duration on a single trip policy is 31 days.
- The standard annual multi trip policy allows unlimited trips during the policy period with a maximum individual trip duration of 31 days. However, this can sometimes be reduced to 21 days per trip or increased to 62 days per trip (provided you are under 71) if you have chosen this option and the option is shown on your policy schedule.
- If you have opted for a 21day annual multi trip policy, then any extension covers you purchase will also be limited to a maximum of 21 days cover in total per policy period. Extension covers for a 31 day or 62 day annual multi trip policy are also limited to a maximum of 31 days or 62 days cover in total respectively per policy period.
- You must purchase our Cruise Extension to be covered for Cruising on your policy. Cruising is defined as a trip involving a sea or ocean voyage of more than 48 hours duration and including stops at more than one port where transportation and accommodation is primarily on an ocean-going passenger carrying liner, ship or river cruiser. In any event there is no cover for your travel by container or cargo ship.

- Health of people not insured on this policy. You may have to cancel due to the poor health of an immediate relative, travelling companion or a person you are planning to stay with. For cover to apply, we require that a medical practitioner confirms in writing that when you purchased this policy or booked the trip:

Has your situation changed since you bought this policy?

Your CoverCloud travel insurance policy is here to cover you for any sudden and unforeseen accident, illness, loss or damage which is beyond your reasonable control. You would have been asked when you paid your premium if you were aware of any medical conditions which could possibly result in you having to make a claim. You must also tell us if anything happens between the date you bought the policy and the start of your trip that might increase the chances of you having to claim on the policy.

We are reasonable people, and we want you to feel reassured that you've 'got it covered' but we are not mind readers; so please, give us a call – if you don't you could find your claim is limited or turned down, and we don't want to be the bad guys, we want you to have the right cover.

So, you should tell us if you have visited a medical establishment or medical practitioner because of:

- a change in your health;
- a new diagnosis;
- a new course of treatment;
- a change in medication;
- a referral from a GP to a clinic, hospital, or specialist for tests.

If we feel that anything you tell us might increase the chances of a claim, we may ask you to pay an additional premium, or we might change the policy terms. If we feel that the increased risk is too great, we might tell you that we cannot cover you at all, but we will provide you with options if this is the only outcome available to us.

If you do have to tell us about a change in your health that has occurred since you bought your policy, please give us a call on: 0208 103 8272

Opening times are:

8am-8pm Monday-Friday

9am-5pm Saturday-Sunday
