WELCOME TO COVERCLOUD

This is **your** policy wording. It tells **you** everything that is covered and what is not covered. It must be read in conjunction with **your** Policy Schedule. These documents make up the contract between **us** and **you**. Keep this document and **your** Policy Schedule in a safe place in case **you** need to refer to them or make a claim.

If any of the details are incorrect, please contact CoverCloud immediately.

Your Policy Schedule tells **you** the **registered gadgets** which are covered under this policy. If any of the details are incorrect, please contact CoverCloud immediately.

This document and **your** Policy Schedule confirm **our** agreement with Taurus under Agreement Number WA-TAURUSIN-01339-01-2023 to insure **you**. This agreement is in accordance with the terms and conditions detailed below. This agreement is subject to payment of the agreed premium.

Introduction

This insurance policy provides insurance for **your registered gadgets** whilst **your** policy is in force. **Your registered gadgets** are listed in **your** Policy Schedule. The policy terms, conditions, and limitations are described in the wording below.

All **gadgets** must be in good condition and in full working order when **you** add them to the policy.

Period of cover

You had the choice to buy this insurance as either a monthly policy or an annual policy. **Your** choice is confirmed on **your** Policy Schedule.

If CoverCloud does not receive **your** monthly or annual premium, it may cancel **your** policy. If the premium has not been paid, CoverCloud will re-attempt to collect the premium. CoverCloud will contact **you** by email if they have been unable to collect **your** monthly premium. If **your** annual premium collection fails, CoverCloud will email **you** to ask for payment of the premium **you** owe. CoverCloud will also contact **you** if **you** owe multiple monthly premiums payments. If **you** do not pay the premium within 7 days of this email, CoverCloud will cancel the policy.

If **you** have an annual policy **your** cover starts straight away and lasts for twelve months. When renewing a policy, cover will start from the date of renewal. **Your** premium is based on the **gadget** and **excess you** chose when **you** bought the policy.

If **you** have a monthly policy, **your** cover starts straight away and lasts for one month. Cover will then continue each month provided **you** continue to pay **your** premiums as they become due. The premium is based on the **gadget** and **excess you** chose when **you** bought the policy. These payments are collected automatically each month in advance.

CoverCloud will collect all premiums.

PROTECTING YOUR GADGETS

Here are some measures **you** can take to help protect or track **your gadgets**:

Most modern **gadgets** have inbuilt security features, such as Apple's 'Find My' or Google's 'Find My Device'. These are designed to help **you** locate a lost **gadget**. These security features help put off potential thieves by making the stealing of these **gadgets** less attractive. If these security features are built in to the **gadget**, it is a policy requirement that these are active. This is required during **your** period of insurance and throughout any claims process. If these security features are not active, **we** will not pay **your** claim.

We've all been there, dropping a **gadget** is a sure-fire way to damage it. However, **you** can protect against this by simply buying a case, which will go some way to keeping the **gadget** safe.

Don't forget to also keep a record of **your** mobile phone's IMEI number, this is unique to **your** mobile phone. If the worst happens, it will allow **you** to be reunited with **your** device. **You** can find this by typing *#06# into **your** mobile phone's keypad.

You can also register **your** device for FREE on <https://www.immobilise.com>

We recommend **you** use any biometric security features that **your gadget** has. This should be in addition to adding a pin code or password. This will ensure that **your** personal information remains private if it falls into the wrong hands.

There are also a variety of tracker applications which could enable **your** device to be found. Please always contact the police and let them retrieve the device, never take the law in to **your** own hands!

Avoid using the **gadget** in public places in situations where **you** might be distracted, such as public transport. These situations make easy targets for thieves.

IMPORTANT INFORMATION

If **you** are a corporate customer the following applies to **you**:

- The company, partnership, or corporate entity, must be based in the **United Kingdom**.
- **You** must be the owner or user, of the **gadget(s)** listed in the Policy Schedule

Giving us all the important information:

When **we** accept **your** application for this insurance, **we** will rely on the information **you** give. **You** must take reasonable care to provide complete and accurate answers to the questions asked when **you** take out, or make changes to, **your** policy. If the information provided by **you** is not complete and accurate the extent of cover may be affected and:

- **we** may cancel **your** policy and refuse to pay any claim or
- **we** may not pay any claim in full.

We will write to **you** if **we**:

- intend to cancel **your** policy; or
- need to amend the terms of **your** policy; or require **you** to pay more for **your** insurance.

If **you** become aware that information **you** have given **us** is incomplete or inaccurate, **you** must inform CoverCloud.

1. bought new or refurbished from a UK VAT registered company and supplied with a **proof of purchase**. If bought overseas the company must be registered for the equivalent tax; or
2. bought second hand provided that **you** have the original **proof of purchase**, which corresponds to criteria 1 above. The original **proof of purchase** and letter must include the following details of **your gadgets**:

 - c. the sale price (the price paid);
 - d. confirmation that the **gadgets** were in full working order at the time of sale.
3. **registered** and appear on **your** Policy Schedule.
4. no more than 36 months old when **you** first bought cover for the **gadget**.

We will only provide cover for SIM enabled **gadgets** if there is an active SIM registered at **your** address.

The insurance will provide cover for the **registered gadgets** which belong to **you**.

Please note: There are some exceptions and exclusions relating to the cover provided by this policy. It is therefore important that **you** read the section headed "What **we** will not cover".

Important Information: The **gadget** must be in good condition and fully working when the policy is bought. If there's proof that the **gadget** was damaged, lost, or stolen before the policy start date, **we** will not pay **your** claim. The **Claims Administrator** may also inform the Police and take further legal action against **you**. **You** must be a permanent UK resident to buy this insurance. **You** and the **gadgets** must be in the **United Kingdom** when purchasing cover.

We have not recommended whether this policy suits **your** specific needs, so **you** need to decide that on **your** own. **You** have made a reasoned decision based on the information provided. **You** can cancel this insurance at any time should **you** decide the cover is no longer suitable. Please refer to the cancellation conditions contained in this policy for full details.

If **you** need any help with **your** policy, please contact CoverCloud and they will be happy to assist **you**. **We** can also supply this policy wording in another format if required, such as Braille.

 - do this within 48 hours of delivery, and
 - keep the packaging to allow the **Claims Administrator** to investigate the claim.

Limit of liability

The most **we** will pay for any claim will not be more than the replacement cost of each **gadget** being claimed for. **We** will not pay more than:

- the original **purchase price**; or
- the current market value of each **gadget**,

whichever is the lowest amount.

The maximum **we** will pay for any claim for **accessories** is the **purchase price** or £150, whichever is the lowest amount.

Average clause

We will reduce the amount **we** pay for a claim if **your** insured amount is less than the **purchase price** of the **gadget**. This is how **we** calculate it:

Amount of Claim = Actual loss × (sum insured / **purchase price**)

Example:

If the **gadget** cost £1,000 but is insured for £500, that is half (50%) its value. This means **we** will pay half of the amount **you** claim.

FRAUD

If any claim made by **you** or anyone acting on **your** behalf under this insurance is fraudulent, deliberately exaggerated or intended to mislead, **we** might:

- not pay **your** claim; and
- recover (from **you**) any payments **we** have already made in respect of that claim; and
- cancel **your** insurance from the time of the fraudulent act; and

- inform the police of the fraudulent act.

If **we** cancel **your** insurance from the time of the fraudulent act, **we** will not pay any claim for any incident which happens after that time and may not return any of the premium already paid.

LAW

The law of England and Wales will apply to this contract.

SANCTIONS

We shall not provide cover and or be liable to pay any claim or provide any benefit under this insurance if doing so would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

POLICY CANCELLATION

Please note that cancellation can only be requested by the person detailed on the Schedule of Insurance as the "Contact Name" or their authorised representative.

We take the security of **your** data seriously. **Your** policy will only be considered cancelled once CoverCloud has verified **your** identity. Confirmation of cancellation will then be made to **you** either verbally or in writing. There is no charge to cancel this policy.

Cooling off period

You can cancel the policy for any reason within 14 days of receiving **your** documents. To cancel please contact CoverCloud at admin@covercloud.co.uk or by calling 0345 812 0030. **You** will receive a full refund of any premium paid, as long as **you** haven't made, and don't intend to make, a claim.

After the cooling off period

If you have a monthly policy:

You can cancel the policy at any time - just contact CoverCloud. If **you** cancel after the cooling-off period, **your** cover will continue until the end of the period **you** have paid for. **You** will not get a refund as the premium **you** have paid is for the cover **you** have already received.

If you have an annual policy:

You can cancel the policy at any time - just contact CoverCloud. Cover will end when CoverCloud receives **your** notice of cancellation and verifies **your** identity. CoverCloud will refund the premium that applies for the period after the policy ends. If **you** have made a claim during the period of cover, **you** will not get a premium refund.

Cancellation by us

When **your** annual policy is due for renewal, CoverCloud will give **you** at least 21 days' notice before the renewal date by email. If CoverCloud has been unable to collect an annual premium payment from **you** they will email **you** after the missed collection to ask for payment. If CoverCloud does not receive payment within seven days, they will cancel **your** policy immediately. CoverCloud will email **you** confirmation of this cancellation.

If a **you** miss a monthly payment, CoverCloud will email **you** to ask for payment. If **you** miss another payment, CoverCloud will contact **you** again. If CoverCloud does not receive payment within 7 days, they will cancel **your** policy.

We may cancel this insurance by giving **you** at least 30 days written notice at **your** last known address. Reasons **we** may cancel the policy are, for example:

- If **we** or the **Claims Administrator** have reason to suspect **you** of fraud;
- if **you** use any threatening or bullying behaviour to **our** staff or the CoverCloud or the **Claims Administrator's** staff
- if **your** policy has been active for seven years.

If any of these happen, CoverCloud may write to **you** with **our** concerns and ask **you** to address them. If **you** do not, CoverCloud will then cancel the policy. If **we** cancel **your** policy, **you** won't have to pay any further premium. **You** will still have cover for a valid claim if the incident date was before **your** policy ended.

POLICY AMENDMENT AND RENEWAL

Please note that amendments can only be made by the person detailed on the Schedule of Insurance as the "Contact Name" or their authorised representative.

Mid-term changes

If **you** need to make a change to **your** policy, please email admin@covercloud.co.uk.

NOTE: If **you** replace a **gadget**, the policy terms will apply to the new **gadget** as if buying a new policy.

If **you** have multiple **gadgets** on **your** policy **you** can remove a single **gadget** at any time. CoverCloud will calculate the revised premium, which will be in effect from **your** next collection date.

If any of **your** personal details change, please contact CoverCloud to update **your** policy. This will prevent any delays if **you** need to make a claim.

If **you** have an annual policy:

CoverCloud will refund the premium that applies for the period after the policy ends. If **you** have made a claim during the period of cover, **you** will not get a premium refund.

If **you** have a monthly policy:

Your cover will continue for the period **you** have already paid. CoverCloud will recalculate and confirm the new premium in writing before **your** next payment date.

If **you** want to cover more **gadgets**, please contact CoverCloud at admin@covercloud.co.uk or by calling 0345 812 0030. Make sure **you** include **your** existing policy number in **your** contact.

Automatic renewal of your policy

If **you** have a monthly policy:

To make sure **you** have no break in cover, **your** policy continues from one month to the next until **you** or **we** cancel it. If **you** do not want **your** cover to continue, please see the cancellation terms above. **Your** premium will be collected by the method **you** chose when **you** bought the policy.

CoverCloud will write to **you** each year to remind **you** of the cover that **you** have. Please review **your** cover to make sure it is still right for **you**.

To make sure the policy offers fair value, **we** will renew **your** cover for a maximum of seven (7) years. If **your** policy is still active after seven years, **we** will write to **you** to confirm that cover will end after 30 days.

Occasionally CoverCloud will need to change **your** policy cover or premium. In this instance, they will give **you** at least 30 days written notice of any change. They will send this to **your** email address **you** gave them when **you** bought the policy.

You can cancel **your** cover if **you** are not happy with these changes, please see 'Policy Cancellation'.

If **you** have an annual policy:

CoverCloud will send **you** a renewal notice at least 21 days before the annual renewal date of the policy. This will explain any changes that will apply to **your** premium or the policy terms and conditions after the renewal date. CoverCloud will then renew **your** policy unless **you** tell them not to.

Your renewal premium will be taken by the same method used when **you** bought the policy. If **your** payment details have changed, **you** can contact CoverCloud at:

admin@covercloud.co.uk

or visit:

<https://www.covercloud.co.uk/gadget-insurance>

and log into "My Account" to amend **your** details. **You** can tell CoverCloud about any changes to **your** policy details at any time by calling 0345 812 0030.

If **you** don't want to renew, contact CoverCloud using the details in the renewal notice. If **you** do nothing, **your** policy will automatically renew. However, **you** can tell CoverCloud at any time that **you** don't want automatic renewal of **your** policy.

If CoverCloud cannot collect **your** renewal premium **your** policy will end. CoverCloud will contact **you** by email to tell **you** if this happens.

To make sure the policy offers fair value, **we** will renew **your** cover for a maximum of seven (7) years. If **your** policy is still active after seven years, **we** will email **you** confirm that **your** policy will not renew.
